

Discussion Questions

OUT HERE

Either break into small groups to discuss or ask the questions to the entire group.

1. What did you learn from watching *OUT HERE*?
2. What do you think are the factors contributing to homelessness?
3. What did you like about the way Mark and his team worked with the unhoused people in the film?
4. What did you not like about how Mark and his team worked with the unhoused?
5. What do you think about the Housing First approach to solving homelessness?
6. What other factors besides more housing needs to be considered to help the homelessness problem?
7. What do you see being done in the community you live in to address homelessness?
8. What do you think is the wrong approach to addressing the homelessness problem?
9. What was your reaction to seeing social service and the police work together?
10. What do you think about social service and law enforcement collaborating to address the homelessness problem?
11. Do you know anyone in your personal life that has experienced homelessness? If so, what would you like other people to know about people experiencing homelessness?
12. What are some misconceptions about homelessness that you think need to be better understood?
13. What did you learn from watching *OUT HERE*?
14. Did seeing the stories of people experiencing homelessness change your perspective about the homelessness issue? If so, explain how.
15. What can you do in your own life or community to help the homelessness problem?
16. Would you recommend this film to others?
